Sound Consulting

We are uniquely prepared to assist students and their families face the challenges of securing admission to prep school or college that best meet their educational, social, and emotional needs.

Types of Learning Differences addressed:
Language Based, Dyslexia, Dysgraphia, ADD/ADHD, Executive Functioning, School Anxiety

Guidance for Placement

- Personalized Approach
- Experienced LD Educators
- Financial Aid Advice

Sound Consulting founders, **David Beecher** and **Chrissie Pape**, have worked for decades with students with learning differences. Mr. Beecher has tutored students and was the Director of Admission for three schools and Headmaster for a boarding school with comprehensive LD support programs. Ms. Pape has served as an LD family advocate for over 15 years.

They provide full scale consulting services for students with learning differences.
